This is a recipe that I made and OMG it is so good and easy it's unbelievable. It makes a lot. Nice to share or make at the Holidays to give to friends and family.

Crockpot Chocolate Peanut Clusters

- 1 – 16 oz. jar lightly salted peanuts
- 1 – 16 oz. jar unsalted peanuts
- 1 – 12 oz. bag semisweet chocolate chips
- 1 – Bakers sweet German chocolate bar,
Broken into pieces
- 2 – pkgs. Vanilla/almond bark (1# 8 oz. ea.)

Put in crockpot in order listed and cook on low for 3 hours. Note: some slow cookers get to hot for this recipe and can burn chocolate. Crockpot is recommended.

Stir and put by scoops on waxed or parchment paper. Let set for 2 hours. Keep in sealed container or bag.

I have a small crockpot and could only fit one package of almond bark in, but it turned out great.
